REQUEST FOR WAIVER

Please excuse our delay in filing the form 486 and reinstate our start date of 7/1/02

This is a very small 3,000 book library run mostly by volunteers for a small village of mostly lobster fishermen's families. Your process is very difficult to complete with no experience and no one to get help from. I think we deserve points for having successfully

completed the process as far as we have. I ~~was~~ only asked to pursue this matter on February , and initially did not realize there was a deadline. I'm pretty sure this is the first time this library applies for funds. ~~We~~ will be prompt in the future.

Please **give** our appeal your kindest consideration,

Let me know **if** you need more information,

Thanking you in advance,

Madeleine Ashe (I signed the 486)
